Hospitality & IT Graduate

Experience:

- 2 years as a front-desk receptionist at a 3-star hotel.
- Handled guest check-in/out, room assignments, and cleanliness complaints.
- Part-time IT helpdesk during studies: basic Python scripting, SQL queries.
- Built a small hotel booking web app as a final-year project (Flask, SQLite).

Skills:

- Customer service, hospitality standards, shift work.
- Python (beginner), SQL, HTML/CSS.
- Eager to move into tech; comfortable in hospitality environments.

Languages: English (fluent), Portuguese (conversational).
